

**SmartChoice**  
ENERGY SERVICES, LLC

## Are You Prepared for PPL's January 1 Rate Hike?

**Let us help you.**

### Did you know...

- PPL commercial clients will see a rate hike of up to 36% on 1/1/10?
- You can switch to an alternative supplier at no charge and PPL will continue to deliver your electricity?

**And the good news is...WE CAN HELP!**

### Smart Choice Energy Services can...

- Help you find a lower rate by negotiating on your behalf with numerous qualified suppliers.

**\*THIS STRATEGY WILL FIND YOU THE BEST MARKET RATE AVAILABLE, PLUS WE DO ALL THE WORK!\***

- Provide you with budget certainty so you can rest assured your rate will not fluctuate for the entire term of your contract.

We are a preferred supplier on PPL's website as a fully licensed electricity broker by the PA PUC.

**ACT NOW by locking in today's low rates.**
